Our Commitment to Get Every Bottle Back in Maryland

America's beverage companies —
The Coca-Cola Company,
Keurig Dr Pepper and PepsiCo —
are working together to ensure
our valuable plastic bottles and
aluminum cans are collected, so they
can be remade into new products.

We've committed \$100 million to improve recycling infrastructure, access and education in communities across the country where we can have the greatest impact. By partnering with The Recycling Partnership and Closed Loop Partners, we're leveraging our investment into \$400 million to support local recycling efforts.
