

Getting Every Bottle Back in Van Buren, Michigan

America's beverage companies — The Coca-Cola Company, Keurig Dr Pepper and PepsiCo — are working together to ensure our valuable plastic bottles and aluminum cans are collected, so they can be remade into new products.

Through our **Every Bottle Back** initiative, we're working with Closed Loop Partners and The Recycling Partnership in communities across the country to leverage the equivalent of nearly half-a-billion dollars to improve recycling infrastructure, access and education.

Our Investment in Action

- ➔ **Expanding Recycling Access**
We're adding new drop-off recycling capacity for more than 17,000 residents.
- ➔ **Upgrading Recycling Infrastructure**
We're supporting the construction, site development and installation of recycling compactors at 4 recycling drop-off facilities.
